

~ALLOT (20)

[English, assign, allocate, apportion, designate, give, ration]

- Under Israel's Law land was **allotted** by lot to each tribe.
- And when you people **allot** the land as an inheritance, you should offer a contribution to Yehowah, a holy portion out of the land, as to length, twenty-five thousand cubits in length, and as to width, ten thousand. It will be a holy portion in all its boundaries round about. (**Ezekiel 45:1**)
- And it must occur that you should **allot** it for inheritance to yourselves and to the alien residents who are residing as aliens in your midst, who have become father to sons in the midst of you. And they must become to you like a native among the sons of Israel. With you people they will fall by lot into an inheritance in the midst of the tribes of Israel. (**Ezekiel 47:22**)
