

~ASHNAH 2 (14)
(Ash'nah)

- A second town of Judah, listed among nine cities and evidently farther to the South than the first **Ashnah**.
- And Iphtah and **Ashnah** and Nezib. (**Joshua 15:43**)
- The identification is uncertain, a suggested site is Idhna, located about midway between Hebron and Lachish, and about 8 kilometers (5 miles) East-Southeast of Mareshah, which appears in the same list.
