

~**BAAL 3 (29)**

(Ba'al) [Owner, Master]

- **A Simeonite enclave city within the territory of Judah, apparently the same as **Baalath-beer** and Ramah of the south, or Negeb.**
- **And their settlements were Etam and Ain, Rimmon and Tochen and Ashan, five cities. (1 Chronicles 4:32)**
- **And all their settlements that were all around these cities were as far as **Baal**. These were their dwelling places and their genealogical enrollments for them. (1 Chronicles 4:33)**
- **Ain, Rimmon and Ether and Ashan, four cities and their settlements. (Joshua 19:7)**
- **And all the settlements that were all around these cities as far as **Baalath-beer**, Ramah of the south. This was the inheritance of the tribe of the sons of Simeon by their families. (Joshua 19:8)**
- **The inheritance of the sons of Simeon was out of the allotment of the sons of Judah, because the share of the sons of Judah proved to be too large for them. So the sons of Simeon got a possession in the midst of their inheritance. (Joshua 19:9)**
