

~BEER 3 (33)

- A beverage rather **low in alcohol content**, brewed by slow fermentation from **wheat or other grain**. The **Hebrew** word *so've*, rendered wheat beer, may also be translated liquor.
- Your silver itself has become scummy dross. Your **wheat beer** is diluted with water. (**Isaiah 1:22**) Footnote
- Their **wheat beer** being gone, they have positively treated woman as a harlot. Her shielders have positively loved dishonor. (**Hosea 4:18**) Footnote
- Although they are being interwoven even as thorns and they are drunken as with their **wheat beer**, they will certainly be devoured like stubble fully dry. (**Nahum 1:10**) Footnote
- Cuneiform tablets reveal that the art of brewing **beer** from grain was practiced in ancient Mesopotamia as early as the **Third Millennium B.C.E.** When Abraham first arrived in Egypt he probably found that **beer** was already a common drink there.
- At a later date, it is said; Ramses III prized **beer** so highly that he offered up some 114,000 Liters (30,000 gallons) a year to his gods. Many Philistine **beer** mugs with their strainer spouts have been found. Those various nations, it seems, had a great variety of **beers** to suit every taste **sweet beer, dark beer, perfumed beer, sparkling beer, spiced beer** served either **hot or cold, watered down or thick and syrupy**.
