

~DEBIR 3 (17)

(De'bir) [Innermost, Hindmost]

- **A site at the low plain of Achor appearing in Judah's boundary list.**
- **And the boundary went up to **Debir** at the low plain of Achor and turning northward to Gilgal, which is in front of the ascent of Adummim, which is south of the torrent valley, and the boundary passed over to the waters of En-shemesh, and its termination proved to be En-rogel. (**Joshua 15:7**)**
- **Though its exact location is not now known, some geographers believe the name has survived in **Thogheret ed-Debr**, Southwest of Jericho.**
