- The soldiers **determined** by lot who would obtain Jesus garment.
- Therefore they said to one another; Let us not tear it, but let us **determine** by lots over it whose it will be. This was that the scripture might be fulfilled; They apportioned my outer garments among themselves, and upon my apparel they cast lots. And so the soldiers really did these things. (John 19:24)
- A plot was hatched against Paul as though he intended to **determine** more accurately the matters concerning him.
- Now, therefore, you together with the Sanhedrin make it clear to the military commander why he should bring him down to you as though you intended to **determine** more accurately the matters involving him. But before he gets near we will be ready to do away with him. (Acts of Apostles 23:15)
