

~DEVIATES (12)

[English, diverges, moves away, strays, departs, swerves, turns, turns aside, digresses, differs]

- Job did not want to **deviate** from the way, a spiritual way, and then walk merely after what his eyes saw.
- If my stepping **deviates** from the way, or my heart has walked merely after my eyes, or any defect has stuck in my own palms.
(Job 31:7)
