

~DIPHATH (27) **(Di'phath)**

- A descendant of Noah through Japheth and Gomer, called Riphath in the **Latin Vulgate**, the **Greek Septuagint**, and about 30 Hebrew manuscripts, as well as at;
- And the sons of Gomer were Ashkenaz and Riphath and Togarmah. (**Genesis 10:3**)
- Noah, Shem, Ham and Japheth. (**1 Chronicles 1:4**)
- The sons of Japheth were Gomer and Magog and Madai and Javan and Tubal and Meshech and Tiras. (**1 Chronicles 1:5**)
- And the sons of Gomer were Ashkenaz and Riphath and Togarmah. (**1 Chronicles 1:6**)
- The spelling **Diphath** found in the **Masoretic** text at;
- And the sons of Gomer were Ashkenaz and Riphath and Togarmah. (**1 Chronicles 1:6**)
- May have arisen through a copyists error, since the **Hebrew** letters for R and D look very much alike.
