[English, deals out, hands out, doles out, shares out, allocates, gives out, dispenses, allots, issues]

- Yehowah asked Job, Where now is the way that the light **distributes** itself something Job certainly did not understand.
- Where, now, is the way by which the light **distributes** itself, and the east wind scatters about upon the earth? (**Job 38:24**)
- Paul counseled that he who distributes, gifts given by others, let him do it with liberality.
- Or he that exhorts, let him be at his exhortation, he that **distributes**, let him do it with liberality, he that presides, let him do it in real earnest, he that shows mercy, let him do it with cheerfulness. (**Romans 12:8**)
