

~DOUBTLESS (13)

[English, no doubt, without a doubt, almost certainly, without question, beyond question, without a question, probably]

- Abraham said; That **doubtless** there was no fear of God in the place, where he was and so he asked his half sister Sarai to identify herself as his sister and not as his wife.
- To this Abraham said; It was because I said to myself, **Doubtless** there is no fear of God in this place, and they will certainly kill me because of my wife. (**Genesis 20:11**)
