

~EPHRON 3 (17)
(E'phron)

- **Ephron** appears at;
- And Abijah kept chasing after Jeroboam and got to capture cities from him, Bethel and its dependent towns, and Jeshanah and its dependent towns, and Ephrain and its dependent towns. (**2 Chronicles 13:19**)
- In the **Masoretic** text as well as in the **Greek Septuagint** and some other versions, however, the marginal reading of the **Masoretic** text gives **Ephrain**.
