

~GROANED (18)

[English, moan, grunt, cry out, growl, whimper]

- Jesus **groaned** deeply in his spirit because the Jews kept seeking for a sign.
- So he **groaned** deeply with his spirit, and said; Why does this generation seek a sign? Truly I say; No sign will be given to this generation. (**Mark 8:12**)
- Jesus also **groaned** within himself when he saw all of the weeping for Lazarus when he died.
- Jesus, therefore, when he saw her weeping and the Jews that came with her weeping, **groaned** in the spirit and became troubled. (**John 11:33**)
