- Job thought that Yehowah God was **growing** angry with him due to the things he was experiencing.
- His anger also **grows** hot against me, and he keeps reckoning me as an adversary of his. (**Job 19:11**)
- The Psalmist showed that to Yehowah God he would cry out when his heart **grows** feeble within him.

- Habakkuk can see, that because of this, Law **grows** numb, unresponsive to the needs of the people, who hate the violence and quarreling going on among them. In his eyes, this is not right, and Habakkuk asks his God, why he has not acted against it.
- Therefore Law **grows** numb, and justice never goes forth. Because the wicked one is surrounding the righteous one, for that reason justice goes forth crooked. (**Habakkuk 1:4**)
- Jesus then gave an illustration of what this would be like. It would be like, when spring comes, and the trees **grow** first with buds and then put forth leaves. Anyone seeing this knows, that summer must be coming soon.

- Now Jesus shows, that after planting the word or seed in his field the man goes to bed that night and eventually his seed starts to **grow** tall, just how he does not understand, for God makes it **grow**.
- And he sleeps at night and rises up by day, and the seed sprouts and **grows** tall, just how he does not know. (**Mark 4:27**)
- Jesus now gives them an illustration of just how they could recognize that correct time. He said, that just as a fig tree puts forth leaves in the springtime, and by this people know that summer is approaching.
- Now from the fig tree learn the illustration. Just as soon as its young branch **grows** tender and puts forth its leaves, you know that summer is near. (**Mark 13:28**)
