(Ha'nun) [He Has Shown Favor, He Has Been Gracious]

- **One who, with the inhabitants of Zanoah, repaired the Valley Gate and part of the wall of Jerusalem.**
- **The Valley Gate was what **Hanun** and the inhabitants of Zanoah repaired, they themselves built it and then set up its doors, its bolts and its bars, also a thousand cubits in the wall as far as the Gate of the Ash-heaps. (**Nehemiah 3:13**)**
