

~HELPS (13)

[English, assists, aids, lends a hand, helps out, facilitates, is of assistance, Opposite of, **hinders]**

- The sailors used helps to undergird the boat, they being in fear of running aground.
- But after hoisting it aboard they began using **helps** to undergird the boat, and being in fear of running aground on the Syrtis, they lowered the gear and thus were driven along. (**Acts of Apostles 27:17**)
