

~HERETH, FOREST OF (14)
(He'reth) [Engraved]

- **One of David's hiding places while pursued by Saul.**
- **In time Gad the prophet said to David; You must not keep dwelling in the inaccessible place. Go away, and you must come yourself into the land of Judah. Hence David went away and came into the forest of Hereth. (1 Samuel 22:5)**
- **The forest of Hereth was apparently named after a town in its locality. Its exact location in the land of Judah is uncertain.**
