

**~HEZRON 3 (34)**  
**(Hez'ron) [Courtyard, Settlement]**

- **A city on the southern border of Judah situated between Kadesh-barnea and Addar.**
- **And the lot of the tribe of the sons of Judah by their families came to be to the boundary of Edom, the wilderness of Zin, to the Negeb at its southern end. (Joshua 15:1)**
- **And their southern boundary came to be from the extremity of the Salt Sea, from the bay that faces southward. (Joshua 15:2)**
- **And it went out southward to the ascent of Akrabbim and passed over to Zin and went up from the south to Kadesh-barnea and passed over to **Hezron** and went up to Addar and went around to Karka. (Joshua 15:3)**
- **However, the parallel account at;**
- **And your boundary must change direction from the south of the ascent of Akrabbim and cross over to Zin, and its termination must prove to be on the south of Kadesh-barnea, and it must go out to Hazar-addar and pass over to Azmon. (Numbers 34:4)**
- **Does not list **Hezron** and Addar separately but reads Hazar-addar, implying that **Hezron**, or Hazar, likely was near Addar, if not actually the same place.**
