

~HOARFROST (41)

- **A silvery-white deposit of ice needles formed by direct condensation at freezing temperatures.** The ice crystals are long and needle shaped, usually they are perpendicular to the objects on which they occur and are most abundant along their edges.
- The moisture in the atmosphere freezes without passing through the liquid state, condensing on trees, plants, and other objects, usually in the night. It is often found on windows.
- Yehowah speaks to Job of, the hoarfrost of heaven, doubtless because it is produced from the atmosphere by condensation.
- Out of whose belly does the ice actually come forth, and as for the **hoarfrost** of heaven, who indeed brings it to birth? (**Job 38:29**)
- Of Yehowah, the psalmist says; **Hoarfrost** he scatters just like ashes.
- He is giving snow like wool, **hoarfrost** he scatters just like ashes. (**Psalms 147:16**)
- Yehowah gives forth the **hoarfrost** with as much ease as a man scatters ashes with his hand. It covers, or encrusts, such things as trees, grass, and houses with a covering, just as though ashes had been scattered over them by Yehowah's invisible hand.
- The manna provided by Yehowah for the Israelites during their 40 years of wandering in the wilderness is described in this way at;
- In time the layer of dew evaporated and here upon the surface of the wilderness there was a fine flaky thing, fine like **hoarfrost** upon the earth. (**Exodus 16:14**)
