

~HOR 2 (19)

[Hebrew, *Hor ha-har'*, Hor the Mountain]

- **A mountain marking the northern extremity of Canaan.**
- **Now this will become your north boundary. From the Great Sea you will mark out to **Mount Hor** as a boundary for yourselves. (**Numbers 34:7**)**
- **From **Mount Hor** you will mark out the boundary to the entering in of Hamath, and the termination of the boundary must prove to be at Zedad. (**Numbers 34:8**)**
- **No certain identification can be made. Some scholars believe that this **Mount Hor**, Hebrew, *Hor ha-har'*, may be the same as **Mount Hermon**. Others suggest that it perhaps designates the entire Lebanon Range or a prominent peak thereof.**
