

~INQUIRER (13)

[English, One Who, asks, queries, requests, questions, sees if, makes inquiries, finds out]

- **When men brought their dungy idols before Yehowah and asked his prophets for direction then if his prophets answered these ones then they would share the error of the **inquirer**.**
- **And they will have to bear their error. The error of the **inquirer** will prove to be just the same as the error of the prophet.
(**Ezekiel 14:10**)**
