

**~INQUIRINGLY (12)**

**[English, curiously, questioningly, noisily, pryingly]**

- The Bible speaks of a root of Jesse who will stand up as a signal for all the peoples and to him nations will turn **inquiringly**.
- And it must occur in that day that there will be the root of Jesse that will be standing up as a signal for the peoples. To him even the nations will turn **inquiringly**, and his resting-place must become glorious. (**Isaiah 11:10**)
