

**~INVESTIGATED (25)**

**[English, examined, looked into, explored, inspected, studied, considered, probed, scrutinized]**

- The King **investigated** about Jerusalem and found out that true to the report he had heard the city had been one of rebellion and revolt from ancient times.
- So an order has been put through by me, and they have **investigated** and found that that city has from the days of old been one rising up against kings and one in which rebellion and revolt have been carried on. (**Ezra 4:19**)
- Nehemiah **investigated** and found out that it was not God that had sent a bad word through prophecy but that it was his mortal enemies Tobiah and Sanballat.
- So I **investigated**, and here it was not God that had sent him, but he had spoken this prophecy against me as Tobiah and Sanballat themselves had hired him. (**Nehemiah 6:12**)
- Look! This is what we have **investigated**. So is it. Hear it, and you, know it for yourself. (**Job 5:27**)
