

~JAAZANIAH (15)

(Ja-az-a-ni'ah) [Yehowah Has Given Ear]

- Toward the end of the kingdom of Judah it seems that this was a rather common name, all four men mentioned in the Bible by this name lived within the same short period of time.
- The name has also been found in the Lachish Letters, and on a seal found at Tell en-Nasbeh the words **Ya'azanyahu, servant officer of the king, appear.** [The Biblical Archaeologist, 1947, p. 71]
- There is no direct evidence, however, that such an inscription identifies any of the following persons.
