

~JAWS (82)

[English, lips, mouth, oral cavity, orifice, maw, chops]

- The priest's right among the sacrifices was for the shoulder blade the **jaws** and the stomach.
- Now this should continue as the due right of the priests from the people, from the ones who sacrifice a victim, whether a bull or a sheep. One must give to the priest the shoulder blade and the **jaws** and the stomach. (**Deuteronomy 18:3**)
- Job was asked if with a thorn he could bore into the **jaws** of Leviathan.
- Can you put a rush in its nostrils, or with a thorn can you bore its **jaws**? (**Job 41:2**)
- As if caught in a flooding torrent, that comes up to the neck, the nations will be carried along by Yehowah's spirit. He will swing them this way, and that way, to separate out from them anything good, but they are worthless and nothing will remain of them. Likewise, his spirit will lead them like a bridle leads through the **jaws** of a horse, except that his **bridle** will cause them to wander, for that is their way.
- And his spirit is like a flooding torrent that reaches clear to the neck, to swing the nations to and fro with a sieve of worthlessness, and a bridle that causes one to wander about will be in the **jaws** of the peoples. (**Isaiah 30:28**)
- Yehowah's time for the judging of Satan the Devil has come. He has already confined Satan to the vicinity of the earth. Now Yehowah will put hooks in his **jaws** to pull him up out of his hiding place, false religion, where he covers himself by means of **Bible truths, or waters**, so that unsuspecting people will not see him lurking there deep in the water.
- And I will put hooks in your **jaws** and cause the fish of your Nile canals to cling to your scales. And I will bring you up out of the midst of your Nile canals and all the fish of your Nile canals that cling to your very scales. (**Ezekiel 29:4**)

- After the thousand years when Satan the Devil is released from his prison the abyss, he may very well realize that with the powerful nations he once commanded are now gone. He would have no chance fighting against God, but nonetheless Yehowah will put hooks in his jaws and bring him up, along with a large military force of men and demons, they think they will dominate the earth once more. Their mighty military weapons of the past will be gone, but they will come up with a well-organized fighting force on horses to try to wrest control of the earth from the New Jerusalem.
- And I shall certainly turn you around and put hooks in your **jaws** and bring you forth with all your military force, horses and horsemen, all of them clothed in perfect taste, a numerous congregation, with large shield and buckler, all of them handling swords. (**Ezekiel 38:4**)
- Yehowah then illustrates to Hosea, that he drew them to true worship, as though a bridled horse, with cords of love, trying to get them to see that his way was a superior one of loving-kindness and of truth. He then cared for them and fed them, loosening their figurative yoke upon their **jaws**, by supplying them with good things to eat and drink in abundance, both materially and spiritually.
- With the ropes of earthling man I kept drawing them, with the cords of love, so that I became to them as those lifting off a yoke on their **jaws**, and gently I brought food to each one. (**Hosea 11:4**)
