

~JEST (13)

[English, joke, kid, tease, banter, quip]

- The nation of Israel was continually making **jest** at the prophet and messengers of Yehowah God and mocking them until there was no healing.
- But they were continually making **jest** at the messengers of the true God and despising his words and mocking at his prophets, until the rage of Yehowah came up against his people, until there was no healing. (**2 Chronicles 36:16**)
