- The people who first resettled the ten tribe Kingdom of Israel were at first not fearers of Yehowah and so he sent lions to become **killers** among them.
- And it came about at the start of their dwelling there that they did not fear Yehowah. Therefore Yehowah sent lions among them, and they came to be **killers** among them. (2 Kings 17:25)
- Zion figuratively is described as a woman gasping for breath saying;
- For a voice like that of a sick woman I have heard, the distress like that of a woman giving birth to her first child, the voice of the daughter of Zion who keeps gasping for breath. She keeps spreading out her palms; **Woe, now, to me, for my soul is tired of the killers!** (Jeremiah 4:31)
