

**~LEBONAH (18)**  
**(Le-bo'nah)**

- A place mentioned as a reference point in connection with the location of Shiloh.
- Finally they said; Look! There is a festival of Yehowah from year to year in Shiloh, which is to the north of Bethel, toward the east of the highway that goes up from Bethel to Shechem and toward the south of **Lebonah**. (**Judges 21:19**)
- It is tentatively identified with **el-Lubban**, **Lubban Sharqiya**, about 5 kilometers (3 miles) West-Northwest of the suggested site of Shiloh. However, the Bible's placing of Shiloh toward the south of **Lebonah** may indicate that originally the city was farther East than this suggested site.
