

~LEHABIM (32)
(Le-ha'bim)

- A name appearing at,
- And Mizraim became father to Ludim and Anamim and **Lehabim** and Naphtuhim (**Genesis 10:13**)
- As for Mizraim, he became father to Ludim and Anamim and **Lehabim** and Naphtuhim (**1 Chronicles 1:11**)
- Among the descendants of Ham through Mizraim. Since the **Hebrew** name is a plural form, many scholars hold that a tribe taking its name from one of Mizraim's sons is meant.
- The **Lehabim** are generally identified with the Libyans and at least seem to have constituted one of the tribes inhabiting Libya in ancient times. While identification is difficult, they were probably the same as the *Lu-vim'* mentioned elsewhere in the **Hebrew** text, as at;
- With twelve hundred chariots and with sixty thousand horsemen, and there was no number to the people that came with him out of Egypt, Libyans, Sukkiim and Ethiopians. (**2 Chronicles 12:3**)
- Where the **American Standard Version** reads, **Lubim** and other translations read, **Libyans**. Mo, NW, RS
