- **And over the camels there was Obil the Ishmaelite, and over the she-asses there was Jehdeiah the **Meronthite**. (1 Chronicles 27:30)**
- **And at their side Melatiah the Gibeonite and Jadon the **Meronthite**, did repair work, men of Gibeon and Mizpah, belonging to the throne of the governor beyond the River. (Nehemiah 3:7)**
- **Some scholars believe that Meronoth was located near Gibeah, but its exact location is otherwise unknown. Others tentatively identify it with **Beituniya**, less than 5 kilometers (3 miles) North-Northwest of Gibeon.**
