

**~MOLESTING (15)**

**[English, assaulting, interfering with, abusing, mistreating]**

- Among the Sidonians they were at peace with no oppressive conqueror **molesting** them.
- Accordingly the five men went on and came to Laish and saw how the people that were within it were dwelling in self-reliance according to the custom of the Sidonians, quiet and unsuspecting, and there was no oppressive conqueror that was **molesting** a thing in the land, while they were far off from the Sidonians and they had nothing to do with mankind. (**Judges 18:7**)
