- This mighty **din** of the nations, their **noise** or propaganda, will set in motion Yehowah's judgment against all religion. But, like the roaring of the seas, Yehowah will **rebuke** all of the nations, causing their **din** against all religion to subside and all of their **din**, **talk against religion** will flee, and be chased away like the chaff of the mountains, and like a thistle whirl before a stormwind, as he demonstrates his mighty power and Godship, before all of the worldly nations, bringing them to ruin.

- A **noise** will certainly come clear to the farthest part of the earth, for there is a controversy that Yehowah has with the nations. He must personally put himself in judgment with all flesh. The waves of truth will be boisterous, and they will come up over her like many waves of the sea, for the truth simply cannot be held back. The noise of her voice will fade out, for men will stop listening to her, she will become just **noise**.

- Nonetheless, despite the telling in advance by thousands of years about this coming day of judgment with all mankind in writing through the Bible record, that day of accounting will still come as a thief upon the human family. They will not see it coming, but will only realize its presence after the fact, just as the visit of a thief is only realized after the fact, by observing the things that are now missing.
- Then the heavens that are now will pass away with a hissing **noise** as the gasses in the atmosphere are suddenly released, and the elements of the earth will melt, because of being intensely hot, and will be dissolved. Also the earth and all the hidden works in it will be discovered.
- These things have symbolic meaning primarily, for the heavens that are now are the wicked demonic rulers of the spiritual darkness we live in today, Satan the Devil and his demons. And the old earth which is governed over by wicked human rulers under Satan the Devil's control through the governments of men will come under the intense heat of Yehowah's inspection and will melt away to their eternal destruction.

- Likewise the works they worked to maintain, their rulership of the old earth, will be discovered, and their deceptions and their oppressions of mankind will be shown up and will end for all time.
- Also the elemental parts of Satan the Devil's system of things, the governments, false religion, commerce and the military will be dissolved away, and mankind will be set free of their wicked dominion. Praise Yehowah!
- Yet Yehowah's day will come as a thief, in which the heavens will pass away with a hissing **noise**, but the elements being intensely hot will be dissolved, and earth and the works in it will be discovered. (**2 Peter 3:10**)
