- Moses counseled Israel for there to be an **observing** during the month of Abib on the 14th day, the Passover.

- The Psalmist showed that the wicked men were **observing** his steps to attack him, while they waited to take away his soul.
- They attack, they conceal themselves, they, for their part, keep **observing** my very steps, while they have waited for my soul. (**Psalms 56:6**)
- The Psalmist declared happy those who are **observing** justice, and doing righteousness all the time.

- The congregator showed that Yehowah God is always **observing** the hearts of mankind and he makes true assessments of their hearts.
- In case you should say; Look! We did not know of this, will not he himself that is making an estimate of hearts discern it, and he himself that is **observing** your soul know and certainly pay back to earthling man according to his activity? (**Proverbs 24:12**)
- An understanding son is one **observing** the Law, but a man having association with gluttons humiliates his father.

- Jonah then showed, that those who are **observing** the idols of untruth, worshiped by the nations, leave their own loving-kindness. Yet true worshipers of Yehowah God know and understand the true loving-kindness of their God.
- As for those who are **observing** the idols of untruth, they leave their own loving-kindness. (**Jonah 2:8**)
- Jesus then watched as people were entering the temple, and were dropping in gifts of money into the treasury chests, and he was **observing** that many rich people were dropping in many coins.

- So as they were **observing** him closely, to find a way to get at him, they decided to hire men secretly to go before him, and to pretend

that they were righteous, for he knew all of the chief priests and scribes. They did this, so that they might get an accusation against him, that they could present to the Roman authorities, so that they could hand him over to them, to have him killed.

- And, after **observing** him closely, they sent out men secretly hired to pretend that they were righteous, in order, that they might catch him in speech, so as to turn him over to the government and to the authority of the governor. (**Luke 20:20**)
- Then men, by **observing**, that the trees are budding in the springtime, certainly also know, that summer is approaching.

- Then Jesus told these opposers, that they really did not know Yehowah God. Jesus however knew him, for he had lived in heaven alongside of him for eons of time, before ever coming to the earth as a man. So he told them, that if he were to say that he did not know Yehowah God, then he would be a liar if he did so. So he finished by telling them that he did know him, and was doing his will by **observing** his word.
- And yet you have not known him. But I know him. And if I said I do not know him I should be like you, a liar. But I do know him and am **observing** his word. (**John 8:55**)
- Then he gave a concrete example of why he had said that. For as he was entering their city, he was carefully **observing** their various objects of veneration, their idols, and there he had found an altar with an inscription, **To An Unknown God**. So Paul used this veneration to introduce them to a god, then unknown to them, Yehowah God, for this is the one he was publishing to them.
- For instance, while passing along and carefully **observing** your objects of veneration I also found an altar on which had been inscribed, **To an Unknown God**. Therefore what you are unknowingly giving godly devotion to, this I am publishing to you. (**Acts of Apostles 17:23**)
- So as it became day, they could see land nearby, but they could not recognize what land it was, and within their reach they were

observing a certain bay with a beach, and on this stretch, they were determined to land their ship if possible.

- They had turned back to scrupulously **observing** days and months and years, and festal seasons. Was this not done away with when the Law Covenant passed out of existence for them, when they were bought out from under it?

- Anointed Christians know that they have come to know Christ because they are **observing** his commandments. Jesus Christ commanded his disciples to do the same things he did, and so anyone who copies his example laid out in the Bible record, knows him, for he is living the same course of life as Christ did.
- And by this we have the knowledge that we have come to know him, namely, if we continue **observing** his commandments. (**1 John 2:3**)
- Therefore anyone who says he has come to know Christ, and yet who is not **observing** his example, in his own life course, is a liar, and the truth is not in such a person.
- He that says; I have come to know him, and yet is not **observing** his commandments, is a liar, and the truth is not in this person. (**1 John 2:4**)
- Anointed Christians have the confidence in Yehowah God that he hears their every thought, and he knows their feelings even better than they do themselves. Therefore whatever they ask of God for assistance in the doing of his will, he hears it, and because they are doing his will, they know that they are to have the things needed to complete the doing of his will. John does not here mean that anything we might ask God for, he will hand over to us, for that is foolishness.
- And whatever we ask we receive from him, because we are **observing** his commandments and are doing the things that are

pleasing in his eyes. (1 John 3:22)

- The scroll is now completely **unsealed**. Surely its complete fulfillment is ever so close. It is not enough just to **say** one has faith.

Faith is forward looking.
Ever Advancing
Watching for its cue.
It's trusting the things.
Yehowah promises.
Like we already knew.

- Happy then is the one **observing the words** by both seeing and acting upon all of the powerful wisdom, insights and understanding contained herein. Jesus said; I am coming quickly! Do not allow your outer garment to be taken, for Christ is coming as a thief!
- And, look! I am coming quickly. Happy is anyone **observing** the words of the prophecy of this scroll. (Revelation 22:7)
- Do not make the same mistake as the Governing Body of Jehovah's Witnesses who seek worshipful honors for providing food. Learn from the lesson! We are all good-for-nothing fellow slaves. We should do whatever we are told and **observe** the words of this scroll. Worship Yehowah God alone. He truly deserves our warm-hearted love and worship!
- But he tells me; Be careful! Do not do that! All I am is a fellow slave of you and of your brothers who are prophets and of those who are **observing** the words of this scroll. Worship God. (Revelation 22:9)
