

~OVERFLOWS (12)

[English, runs over, floods, spreads out, spills over, brims over, pours out]

- **The Jordan river overflows its banks all the day of harvest.**
- **And at the instant that the carriers of the Ark came as far as the Jordan and the feet of the priests carrying the Ark were dipped in the edge of the waters, now the Jordan **overflows** all its banks all the days of harvest. (Joshua 3:15)**
