

~PARTAKER (11)

[English, participant, accomplice, accessory, contributor, assistant]

- Paul shows that the man who plows ought to plow in hope of becoming a **partaker** of his efforts.
- Or is it altogether for our sakes he says it? Really for our sakes it was written, because the man who plows ought to plow in hope and the man who threshes ought to do so in hope of being a **partaker**. (**1 Corinthians 9:10**)
