

~PERCEPTION (13)

[English, insight, awareness, acuity, discernment, observation, sensitivity]

- Jesus asked his disciples if they themselves lacked **perception**, because they failed to get the point that nothing that comes from outside of a man and passes through him can defile him.
- So he said to them; Are you also without **perception** like them? Are you not aware that nothing from outside that passes into a man can defile him. (**Mark 7:18**)
