

**~PERCEPTIVE (14)**

**[English, sensitive, insightful, observant, understanding, discerning, keen, aware, sharp, Opposite of, insensitive]**

- **Paul showed that solid food belongs to mature people. Then he defined spiritually mature people as those whose perceptive powers have been trained to perceive or distinguish between right and wrong.**
- **But solid food belongs to mature people, to those who through use have their **perceptive** powers trained to distinguish both right and wrong. (Hebrews 5:14)**
