

~PERFORMS (95)

[English, does, carries out, executes, achieves, makes, acts upon, completes]

- Job showed how Yehowah God disciplines men to keep them from the pit of death.
- Look! All these things God **performs**, two times, three times, in the case of an able-bodied man. (**Job 33:29**)
- So because of their witness the chief priests and the Pharisees gathered the Sanhedrin together and took counsel, saying among themselves; What are we to do, because this man **performs** many signs? The real problem, was that he also condemned these men for their lack of faith and lack of fine works. To accept the obvious would force them to come to repentance, and they had no inclination to do that.
- Consequently the chief priests and the Pharisees gathered the Sanhedrin together and began to say; What are we to do, because this man **performs** many signs? (**John 11:47**)
- The Holy Spirit operates in different people in different ways. Some prophesy, others teach, some speak in tongues, others see visions, some are able to interpret the Bible. These different varieties of operations though are all **performed** under the supervision of the one God, Yehowah, whose Holy Spirit performs all these different operations in all persons.
- And there are varieties of operations, and yet it is the same God who **performs** all the operations in all persons. (**1 Corinthians 12:6**)
- The spirit therefore gives all of these different gifts to Christians who have been sealed through this same spirit, as a token of what powers they will have later upon reaching their goal. The spirit is a living force, but not itself a person, yet it is directed by a person, Yehowah God, for he is the one that controls the spirit, and makes it do different things in different people, to suit his purpose. Thus the spirit is Holy, because it comes forth from God.
- But all these operations the one and the same spirit **performs**,

making a distribution to each one respectively just as it wills. (**1 Corinthians 12:11**)

- Now Paul asks about Yehowah God, who supplies them with his Holy Spirit, and who through it **performs** powerful works among them, does this spirit come forth to them through works of Law, or due to a hearing by faith.
- He, therefore, who supplies you the spirit and **performs** powerful works among you, does he do it owing to works of Law or owing to a hearing by faith? (**Galatians 3:5**)
- Elijah in the Bible record twice called for fire to come down from heaven to devour soldiers sent by wicked king Ahab to arrest him. This **fire** depicts **fiery judgment messages** aimed at the nations and their armies. They will seem to speak with the power of Yehowah but it will be empty words for Yehowah will not back them up.
- They will widely publicize this to all mankind and this will just embolden them to act arrogantly against all of the nations. They want to give the appearance of speaking as God's prophet, but they simply do not have his spirit and his blessing, they are false prophets. They speak like a **lamb**, **Christ-like**, but they act like a **dragon**, **wanting to rule over others**. Do not put your precious faith in them.
- And it **performs** great signs, so that it should even make fire come down out of heaven to the earth in the sight of mankind. (**Revelation 13:13**)
