

~PRETENDING (13)

[English, making believe, imagining, acting as if, making up, playing]

- Men exist who are **pretending** to be rich when poor and poor when rich.
- There exists the one that is **pretending** to be rich and yet he has nothing at all, there is the one that is **pretending** to be of little means and yet he has many valuable things. (**Proverbs 13:7**)
