[English, experience, education, training, credentials]

- **Men in the congregation who have spiritual **qualifications** should try to restore erring ones, not to summarily dismiss them as wicked.**
- **Brothers, even though a man takes some false step before he is aware of it, you who have spiritual **qualifications** try to readjust such a man in a spirit of mildness, as you each keep an eye on yourself, for fear you also may be tempted. (**Galatians 6:1**)**
