

~TIPHSAH 1 (16)
(Tiph'sah)

- **A place at the extreme North of Solomon's kingdom.**
- **For he was holding in subjection everything this side of the River, from **Tiph'sah** to Gaza, even all the kings this side of the River, and peace itself became his in every region of his, all around. (**1 Kings 4:24**)**
- **Some tentatively identify it with Dibseh on the Euphrates River, about 90 kilometers (56 miles) East-Southeast of Aleppo and about the same distance from the confluence of the Euphrates and Balikh rivers.**
