- The sons of Japheth were Gomer and Magog and Madai and Javan and Tubal and Meshech and **Tiras**. (**1 Chronicles 1:5**)
- The people who descended from Japheths sons were later spread about in their lands, each according to its tongue.
- From these the population of the isles of the nations was spread about in their lands, each according to its tongue, according to their families, by their nations. (**Genesis 10:5**)
- Generally, scholars of the present day consider **Tiras** to be identified with the *Tyr-se-noi'* of classical Greek writers, also called *Tyr-rhe-noi'*. The *Tyr-se-noi'* were a seafaring people of the islands and coastlands of the Aegean Sea.
