

~WHISPERINGS (13)

[English, murmurings, sighings, speaking softly]

- **Paul included whisperings among many other works of the flesh that Christians must avoid.**
- **For I am afraid that somehow, when I arrive, I may find you not as I could wish and I may prove to be to you not as you could wish, but, instead, there should somehow be strife, jealousy, cases of anger, contentions, backbitings, **whisperings**, cases of being puffed up, disorders.
