

~YEARNED (12)

[English, desired, longed, craved, ached, hankered, wanted, coveted, hungered]

- The Psalmist loved true worship and his soul **yearned** and pined away for the courtyards of Yehowah.
- My soul has **yearned** and also pined away for the courtyards of Yehowah. My own heart and my very flesh cry out joyfully to the living God. (**Psalms 84:2**)
