

~ZEREDAH 2 (23)
(Zer'e-dah)

- Reference is made to **Zeredah** in the District of the Jordan in connection with the casting of copper utensils for the temple constructed by Solomon.
- In the District of the Jordan the king cast them in the thick ground between Succoth and **Zeredah**. (**2 Chronicles 4:17**)
- The parallel text at;
- In the District of the Jordan it was that the king cast them in the clay mold, between Succoth and **Zarethan**. (**1 Kings 7:46**)
- Indicates this to be the same place as **Zarethan**, **Zeredah** perhaps being a variant spelling of the name.
