

~ZIPHRON (14)
(Ziph'ron)

- **A site at the northern border of the Promised Land.**
- **And the boundary must go out to **Ziphron**, and its termination must prove to be Hazar-enan. This will become your north boundary. (Numbers 34:9)**
- **Its exact location is not definitely known, although **Y. Aharoni** identifies it with Hawwarin, about 100 kilometers (60 miles) South-southeast of Hamath.**
