

**1 Kings 7:28** And this was the workmanship of the carriages, they had sidewalls, and the sidewalls were between the crossbars.

[1] - References:

- Furthermore, King Ahaz cut the **sidewalls** of the **carriages** in pieces and removed from off them the basins, and the sea he took down off the copper bulls that were underneath it and then put it upon a stone pavement. (**2 Kings 16:17**)
