

James 3:7~ For every species of wild beast as well as bird and creeping thing and sea creature is to be tamed, and has been tamed by humankind.

1· James now uses a natural example to show what a paradox it is, that men cannot get the tongue tamed, within their own mouths. They have demonstrated the ability to tame every sort of wild beast and all the powerful animals in all of the earthly creation.

[Question] What natural example does James use to show the paradox of the tongue?

2· And a fear of you and a terror of you will continue upon every living **creature** of the earth and upon every flying **creature** of the heavens, upon everything that goes moving on the ground, and upon all the fishes of the **sea**. Into your hand they are now given. (**Genesis 9:2**)

[Question] What dominion over the animals does mankind exercise from Yehowah God?

3· Further, God blessed them and God said to them; Be fruitful and become many and fill the earth and subdue it, and have in subjection the fish of the **sea** and the flying **creatures** of the heavens and every living **creature** that is moving upon the earth. (**Genesis 1:28**)

[Question] What things that God made, are all in subjection to mankind?
