

**Ezekiel 41:7<sup>1</sup>**

**And there was a widening out and turning around upward and upward<sup>1</sup> to the side chambers, for the winding passage of the house was upward and upward all around the house. Therefore there was a widening to the house upward, and from<sup>1</sup> the lowest story one could go up to the uppermost story, by the middle story.**

**[3] - References:**

- The entrance of the **lowest** side chamber was on the right side of the **house**, and by a **winding** staircase they would **go** up to the **middle** one, and from the **middle** one up to the third one. (**1 Kings 6:8**)
- And as for the dining rooms, the **uppermost** ones were shorter, for the galleries took away from them, more than the **lowest** ones and than the **middle** ones, as regards the building. (**Ezekiel 42:5**)
- The **lowest** side chamber was five cubits in its width, and the **middle** one was six cubits in its width, and the third one was seven cubits in its width, for there were cutbacks that he gave to the **house** all **around** outside, that it might not have a hold in the walls of the **house**. (**1 Kings 6:6**)
