

**Ezekiel 46:22**

**At the four corner posts of the courtyard there were small courtyards, forty cubits in length and thirty in width. The four of them with corner structures<sup>1</sup> had the same measurement.**

**Footnote:** With corner structures Hebrew *mehuq·tsa·`ohth'*; LXXSyVg omit In M this word is marked with extraordinary points by the Sopherim to stigmatize it as spurious and hence to be omitted See Appendix 2A
