

John 13:12~ When, now, he had washed their feet and had put his outer garments on and laid himself down at the table again, he said to them; **Do you know what I have done to you?**

1· So first Jesus, after having finished with all of them, returned his own outer garments onto himself, and sat down at the table again. Then he asked them a question to drive home his point about washing their feet. Did they understand what he had just done for them?

[Question] What then, did Jesus himself do, and after sitting down, what question did he ask of them?

2· And he proceeded to say; Please, now, my lords, turn aside, please, into the house of your servant and stay overnight and **have** your **feet** washed. Then you must get up early and travel on your way. To this they **said**; No, but in the public square is where we shall stay overnight. **(Genesis 19:2)**

[Question] How did Lot treat the angelic guests that came to Sodom and Gomorrah to investigate about the people there, for where did they want to stay?

3· In answer Jesus **said** to him; What I am doing you do not understand at present, but you will understand after these things. **(John 13:7)**

[Question] What did Jesus tell Peter that he could not understand at present?
